## HORSE HOSPITAL - (Medical) At Thai Polo Club

#### **Alternative Medicine.**

When properly applied by a trained practitioner, alternative medicine can be used in conjunction with traditional sports medicine to give you and your horse the winning edge. In many instances, athletic horses have responded favorably to this treatment. Thai Polo Equine clinic has human's physiotherapists trained by horse's physiotherapists to help your horse reach their optimal level. In this area we have Magneto-therapy, ultrasound treatment, laser andrelaxation blankets.
